**“Overall, I am satisfied with this learning experience (55% for strongly agree, 45% for agree)”**

- It was well presented and organised.
- Very good support on articles. Very good to do assignment. Never done something else but assignments so far. This is a good experience for BA Project. Very well explained.
- The recap at the beginning of each lesson was very helpful. The discussions enabled me to think differently and learn from other students. My professors was very helpful and motivated me to continue Learning. Language Learning: This subject is one of my favourites, I have learned so much in this class. it was fun informative, critical and I would love to continue learning about Language Learning
- It was very good organised. The pacing is good and the objectives were made very clear. I got quite good understanding of the topic.
- Classes were well organised, interactive with many clear explanations by the teacher. Topics were insightful, relevant and very interesting. Peer interaction allows for discussion and better understanding of the module.
- The organisation and the teaching of the module was great! So was the information provided for the students, very thorough and nothing left in doubt.
- The lecturer was very good at engaging the class and asked appropriate questions - especially encouraging small group discussions and feeding back to the class.
- Teach was passionate and engaging. Very interesting/Useful subjects. I'm now thinking of writing my dissertation on Language Learning.

- It has introduced a very interesting topic I was not aware of and I am now considering writing about it for my dissertation.
- Mr Saito was a fantastic lecturer. Very engaging and his passion for the areas of study is infectious. The best teacher I have had at Birkbeck so far.
- Most engaging lecturer, a passion for the subjects.
- I enjoyed the lectures teaching, he was always kind and willing to answer questions.
- Excellent variety of reading materials provided. Very helpful and knowledgeable lecturer. A good range of topics and adequate explanation of them. Effective encouragement of classroom discussion.
- Lots of clear instructions on assignment. Lecturer is very nice + engages learners, very helpful.
- The lecturer was excellent and provided a high standard of research information and lecture slides. The class was always full of students and the interaction with the lecturer was very informative which aided the learning process.
- Thank you! It was a very good learning environment. Saito is a very good teacher and researcher, every time I come into class I wanted to learn more \*smiley face\*
- It was really great that Kazuya was really enthusiastic about the topic as it made it so much more enjoyable. Thank you!
- Enjoyed this module and learnt a lot. Thank you!
- This was a very enjoyable module - both terms due to a very good lecture providing a lot of literature to read online.
- Great module and Kazuya is an even greater teacher.
