

N = 25 students

“Overall, I am satisfied with this learning experience (59% for strongly agree, 35% for agree)”

- I liked how the notions learned in class will be useful for us in the work for the assignment. (Normally I just focused on one single notion, and I didn't have the need to use the all course). Also the lecturer passion is very motivating! Keep it up
- I appreciate this module very much because Kazuya is quite nice and humourous. Besides, the context of the module helps me a lot when teaching L2 learners. It really solves a lot of problems frustrating me for a long time.
- The theory has been practised. It helped us to understand the module very well.
- The way knowledge was passed, useful slides and information which definitely will be used in the future. The module opened my eyes for SLA.
- I liked the content, delivery and assignment.
- I liked friendly, productive class. Mixing teaching + enjoyment
- I liked the passion of the lecturer for his subject.
- Well structured
- The lecturer is highly professional, extremely organised and always well prepared! I did enjoy every single minute of it. Thank you very much!
- I liked the enthusiasm of the teacher!
- Extraordinary good lecturer. Thank you.
- Very good explanation and understandable module
