- Really interesting module, lecture slides were detailed, lots of extra readings & resources to help us out
- Kazuya's passion & dynamism, explicitness of objectives & expectations, availability of readings
- Kazuya's enthusiasm for the topic but also for our enjoyment.
- I loved everything about this module. The topics were very interesting. The class discussions were really helpful to think critically. The lecturer touched every possible topic in SLA in a very limited time. Everything was so fun and interesting in the module.
- The unit was very interesting and it was an eye opener. The lecturer made it extremely interesting and exciting. I always looked forward to coming to his classes. I must say it has also helped me to look closely at my teaching skills
- The lectures were very informative and interactive. Very inclusive i.e. a lot of input from learners because the lecturer encouraged learners to take part in discussion.
- The students get chance to discuss in class.
- It's great to have a lecturer with such a passion on the topic and who's able to transmit it to students.
- We learnt so much e.g. different research techniques. Lecturer is engaging.
- Excellent module both content and teaching
