“Overall, I am satisfied with this learning experience (100% for excellent)”

-) Overall, I'm satisfied with this module. If there are students asking about this module, I would strongly recommend them to join this module. I really appreciate the teacher's effort. I have learnt a lot not only about about this module but also writing dissertation. It was really useful and helpful.
-) Kazuya is a very responsible and passionate teacher, in this module, I have learned so much and it has deepened my knowledge about SLA especially in Speaking and Listening area, Kazuya is always keen and nice to answer all our questions and offers as much help as possible, there are a lot of discussions and interaction in class and even though the required readings are only one or two, I am willing to spend more time doing extra extended readings, thank you for giving such amazing lectures for us, I really enjoy this module!
-) The module is the best out of the best! Kazuya spared no effort preparing for the teaching materials for his students. His lessons are interactive, intriguing, inspiring, motivating, and resourceful. It was such a huge pity to not be able to continue participating in his class due to the virus. I would be more than willing to attend his class once again in the future.
-) This was one of the best, most organized modules that I have taken at UCL. Kazuya was a wonderful instructor and always, always ready to help!
-) Saito is really an super inspiring and excellent teacher in this module. All of us like him so much.
